

FUNDRAISING DURING BIRKIE WEEK

Peak Nordic has a strong presence on the Korte and Birkie trails at the Birchlegger Mosquito Brook aid station. We've done such a good job the Birkie Volunteer Coordinator has asked that if we have overflow people they'd appreciate it if we'd start to volunteer at Gravel Pit aid station which is the aid station just before Mosquito Brook. A double dose of Peak enthusiasm and trail care!!

The American Birkebeiner Ski Foundation (ABSF) pays each of us \$5.00 per hour to go to the non-profit of our choice. We now have a choice of two! **Peak Nordic Ski Club OR Friends of Lapham Peak Snowmaking.** <https://www.birkie.com/volunteer/>

ABSF caps each non-profit group at \$1000.00 per group. We want to be sure we raise the most money and don't leave anything on the table.

When you register to volunteer and you get to that pull down menu that asks "*Are you volunteering as part of a group or organization?*" be sure to write in one of the two. To make sure both groups raise money let's do this:

- If you are volunteering anywhere Birkie week Wednesday – Friday please volunteer for Friends of Lapham Peak Snow making.
- If you are volunteering anywhere on Saturday you want to volunteer for Peak Nordic Ski Club.
- Here is the kicker – you have to sign up in order for us to get paid!! <https://www.birkie.com/volunteer/>

If Birchlegger Mosquito Brook Aid station is full sign up for Gravel Pit aid station.

Any questions – let me know,
